

PARANCHAI MALAIKANOK

+66 89 737 0534

paranchai.m@gmail.com

RESEARCH INTERESTS

- Palynology
- Tropical Plant Diversity & Evolution
- Cenozoic Flora and Paleoecology in Southeastern Asia

EXPERTISE

- Palynological analysis using both light & scanning electron microscopy
- Fossil flora interpretation & paleoecological reconstruction

PUBLICATIONS

Research articles

- **Malaikanok, P.**, Grímsson, F., Denk, T., & Phuphumirat, W. (2023). Community assembly of tropical Fagaceae-dominated forests in Thailand dates back at least to the Late Palaeogene. *Botanical Journal of the Linnean Society*, 202(1), 1-22.
- Phuphumirat, W., Leeratiwong, C., **Malaikanok, P.**, & Zetter, R. (2018). Morphological and harmomegathic characters of pollen of Gnetum species (Gnetaceae) in Thailand: studies with light and scanning electron microscopy. *Botanical Journal of the Linnean Society*, 187(4), 653-671.

Book

- Phuphumirat, W., Leeratiwong, C., **Malaikanok, P.**, & Trongdechakraiwut, T. (2023). *Gymnosperm and Monocot pollen flora of Kho Hong Hill*. Princess Maha Chakri Sirindhorn Natural History Museum, Thailand.

SCIENTIFIC EXPERIENCE

- **2024**
Staff, Phatthalung Fossil Festival, Princess Maha Chakri Sirindhorn Natural History Museum, Thailand.
- **2024**
Staff, Geological World of the Thai Peninsula Open House, Princess Maha Chakri Sirindhorn Natural History Museum, Thailand.
- **2021 – 2024**
Research Assistant, Project on “The Late Oligocene to Early Miocene Palaeopalynoflora from the Ban Pa Kha Subbasin, Li Basin, Lamphun, Thailand”.
- **2022**
Attendance, Paleontology Survey conducted by the Department of Mineral Resources, Thailand.
- **2021**
Presentation, PastBioDivSEA21 Conference: Current Studies on Past Biodiversity in Southeast Asia.
- **2019**
Presentation, 9th Taxonomy and Systematics Conference, Chiang Mai University, Thailand.
- **2019**
Exchange Student, Erasmus Plus project at USMP Herbarium, School of Biological Sciences, Universiti Sains Malaysia, Penang, Malaysia.
- **2017**
Attendance, 17th Flora of Thailand Conference, Thailand.
- **2016**
Attendance, 10th Botanical Conference of Thailand, Ubon Ratchathani University, Thailand.
- **2016**
Internship Student, Applied Taxonomic Research Center, Khon Kaen University, Thailand.
